Wiskundig spel

Voeder de spin

Doel van het spel

- De jongste kleuters leren fijn-motorisch aan de slag gaan.
- De jongste kleuters leren de kleuren kennen.

Vorbereidingen voor het spel

- Print de kaarten

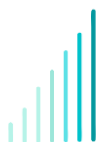

OPGELET! Er zijn variaties.

- Print de vliegjes.
- Knip en lamineer alles.
- Voorzie eventueel een sensorytray en bakjes waar je alle spinnenwebben op kan kleven.

Spelregels

- De algemene spelregels bij alle spelletjes is dat de kleuters leren sorteren aan de hand van de kleuren.

Gradaties en differentiatie

SPEL 1

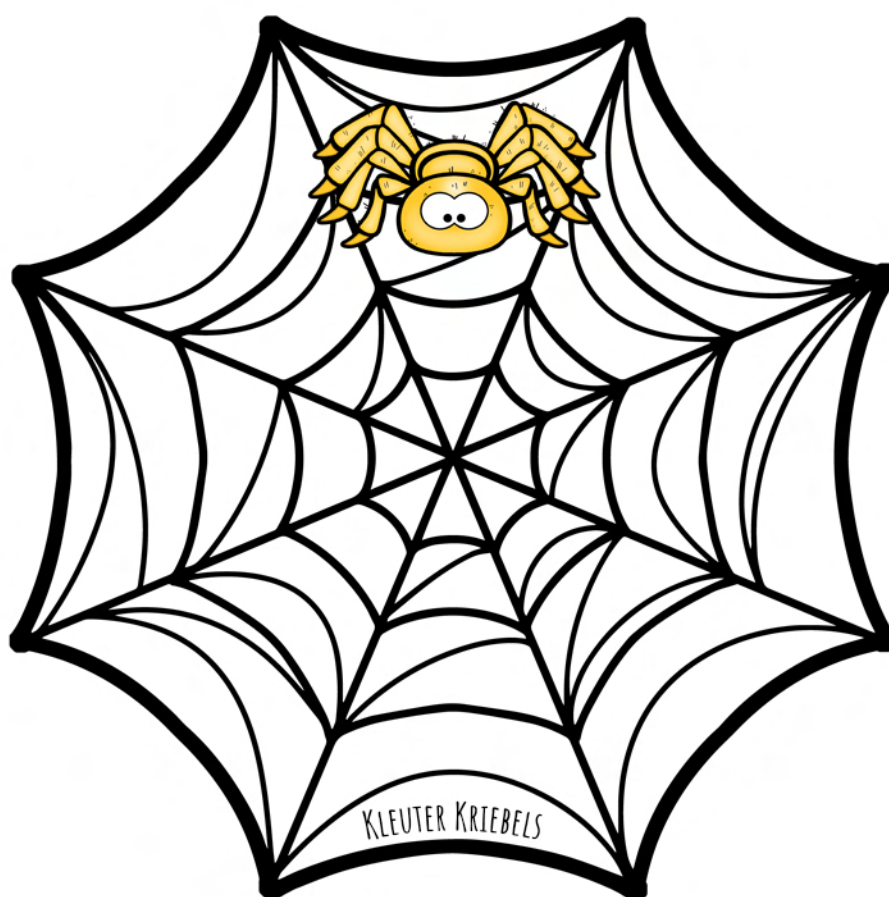

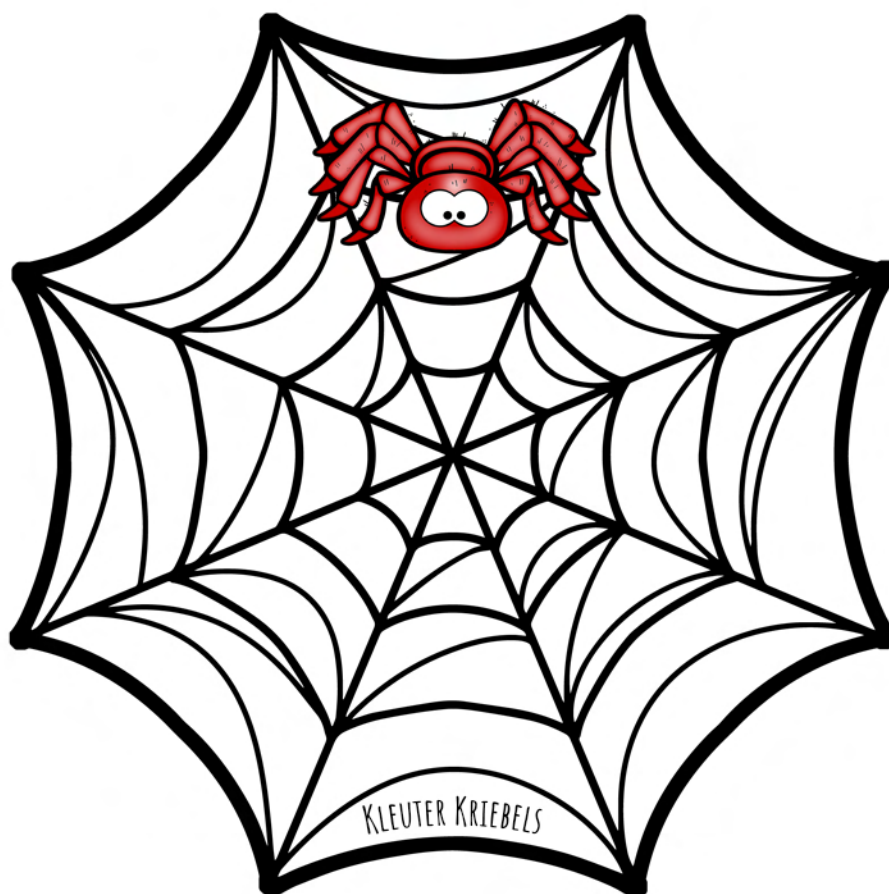

- Bij de gekleurde spinnenwebben maak je een gat in het midden van het web. Bevestig de kaarten op een bakje en verstop de gekleurde vliegjes in een sensorybak.
- De kleuters nemen een vliegje en sorteren in het juiste web/bakje.

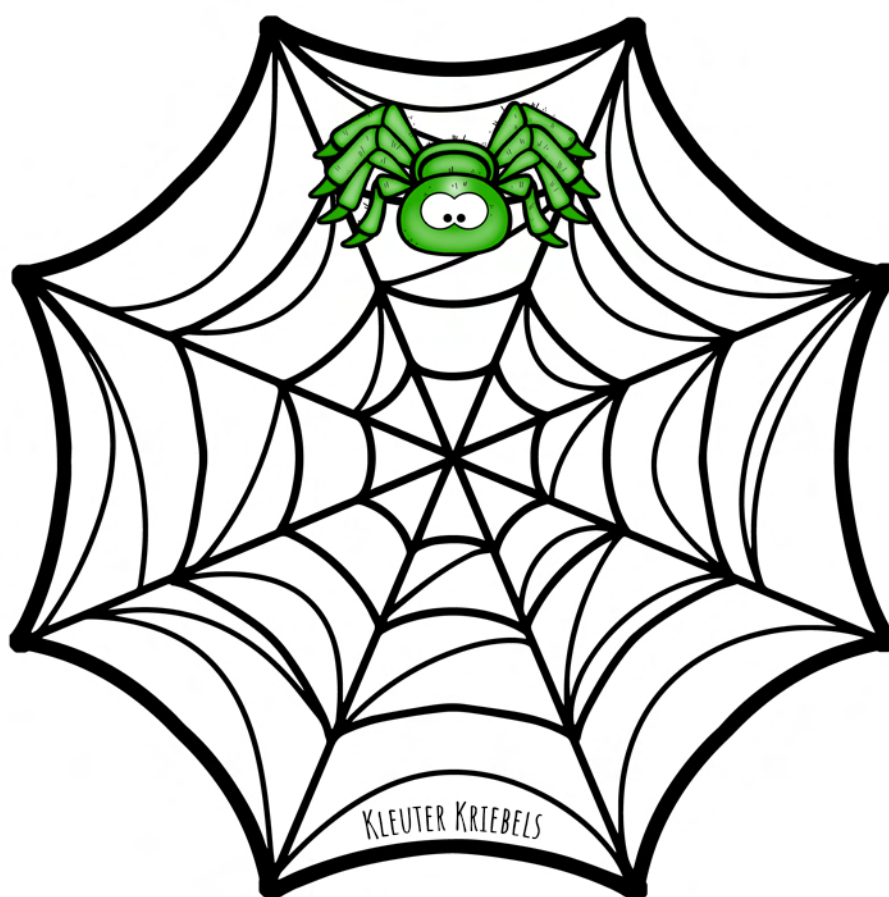

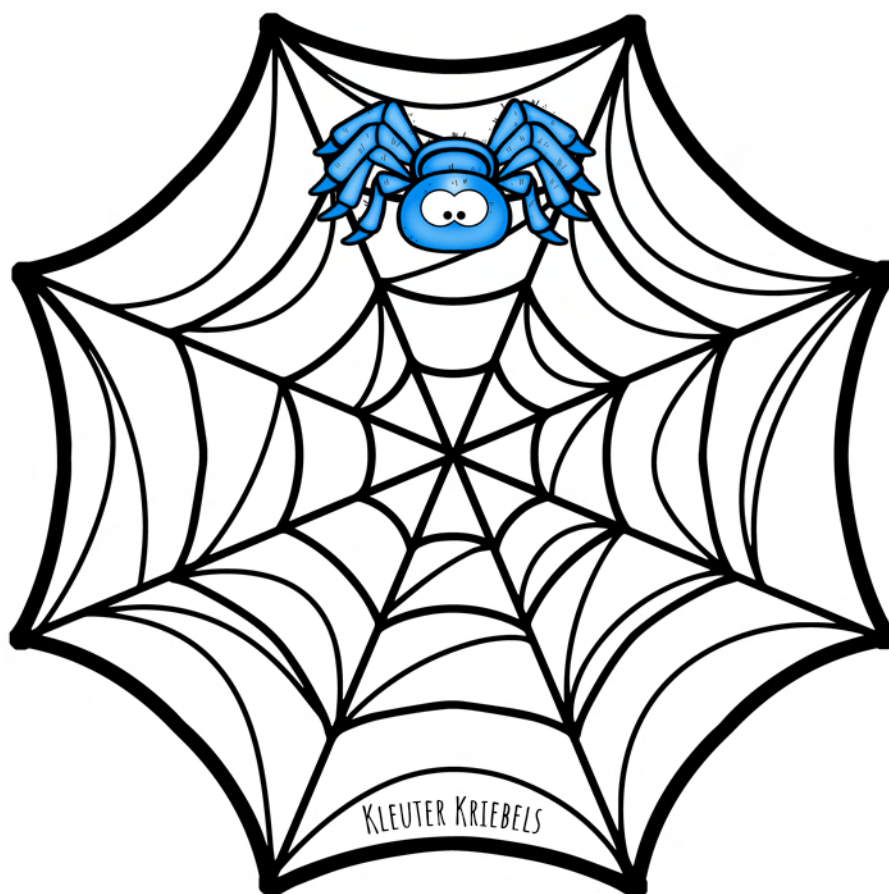

SPEL 2

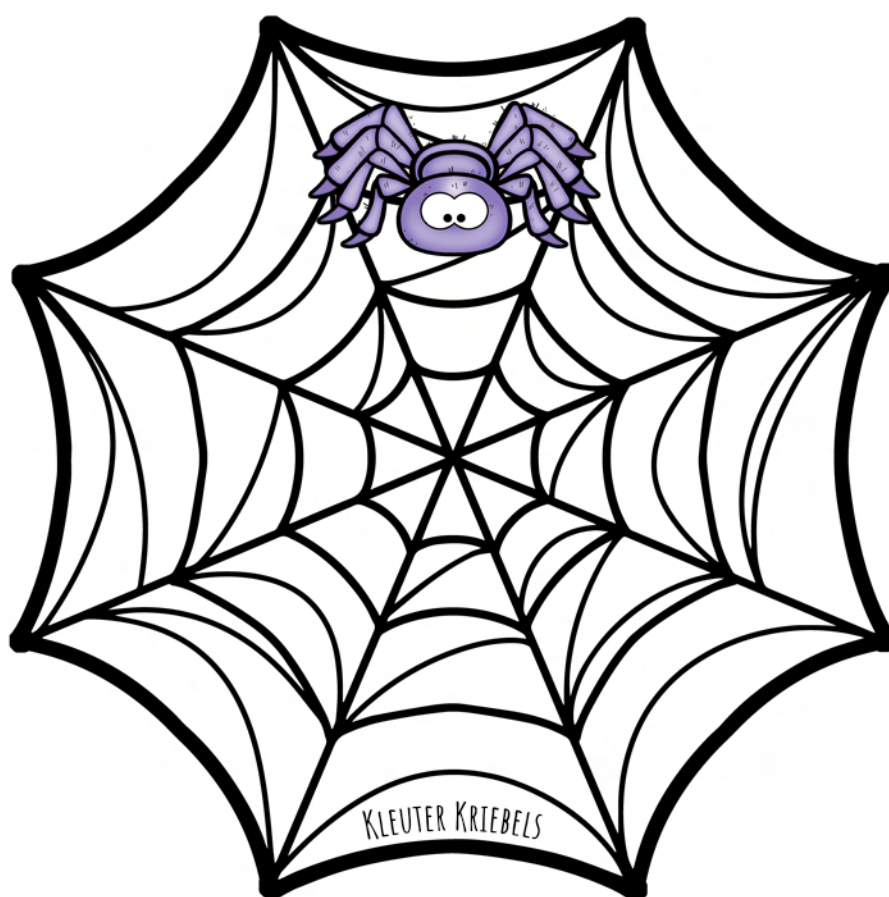

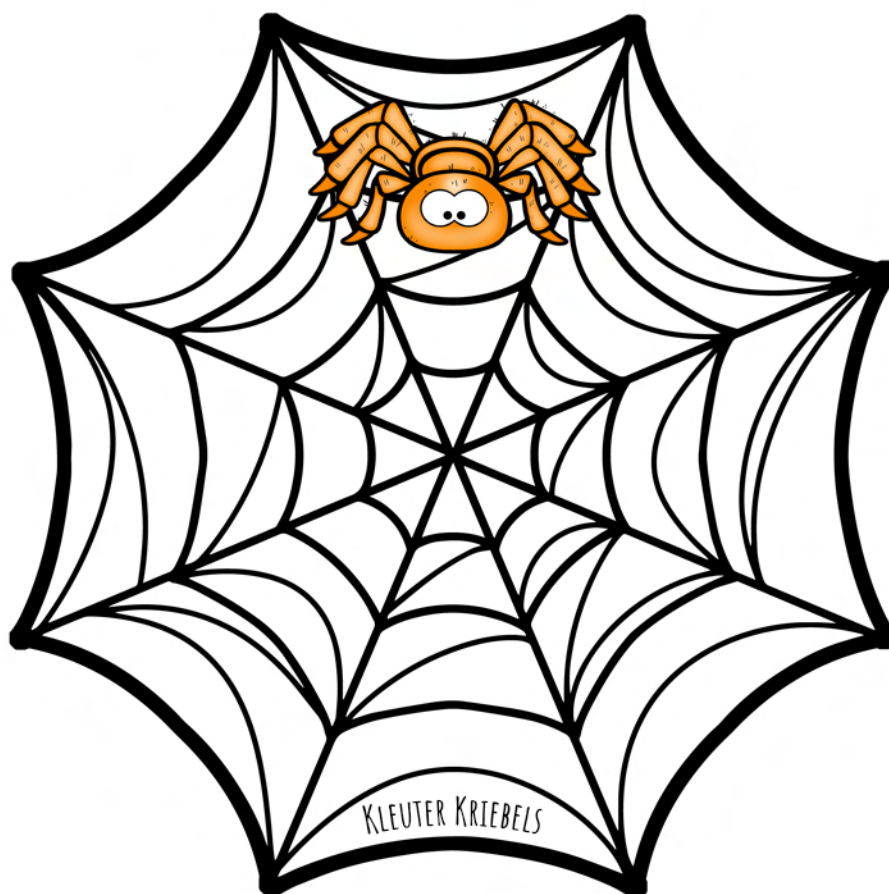

- Stop de vierkante dobbelsteenkaarten in een dobbelsteen. Voorzie de spinnenwebben op een bakje met een gat in.
- De kleuters dobbelen en nemen de juiste vlieg, daarna sorteren ze die in het juiste web/bakje.

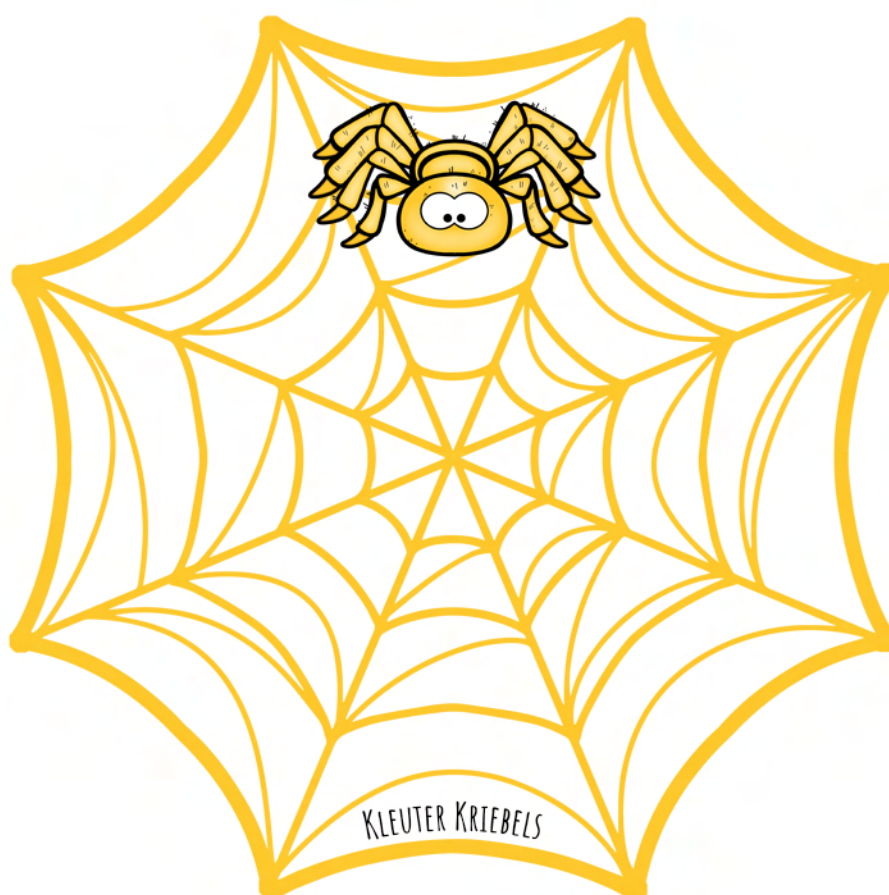

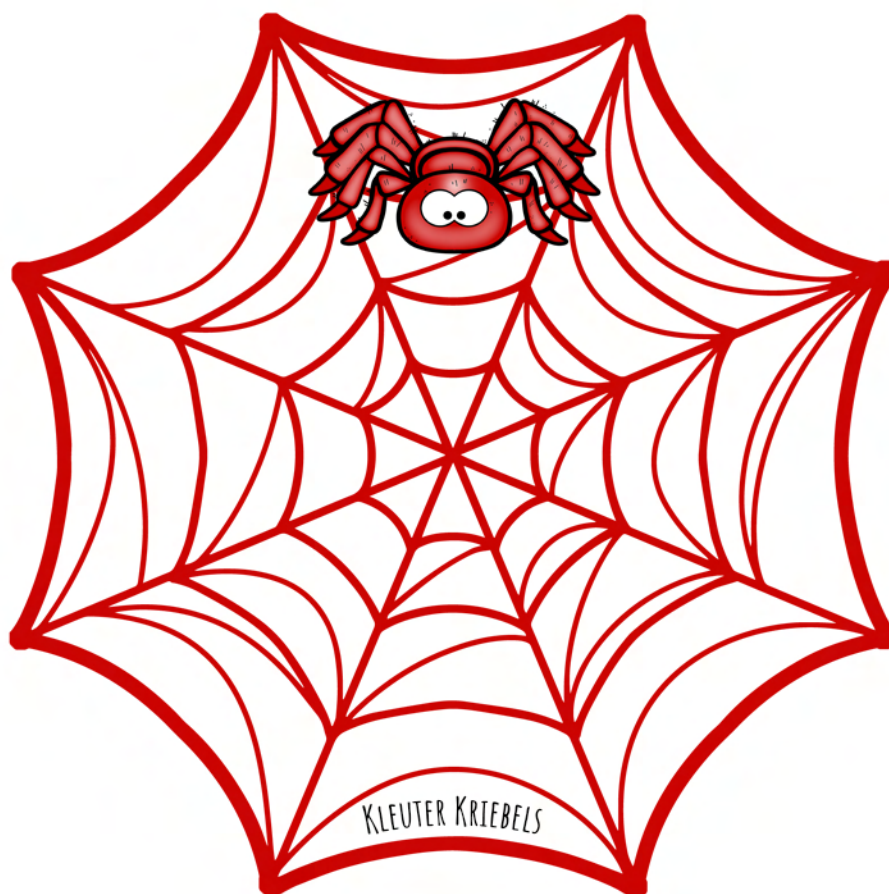

SPEL 3

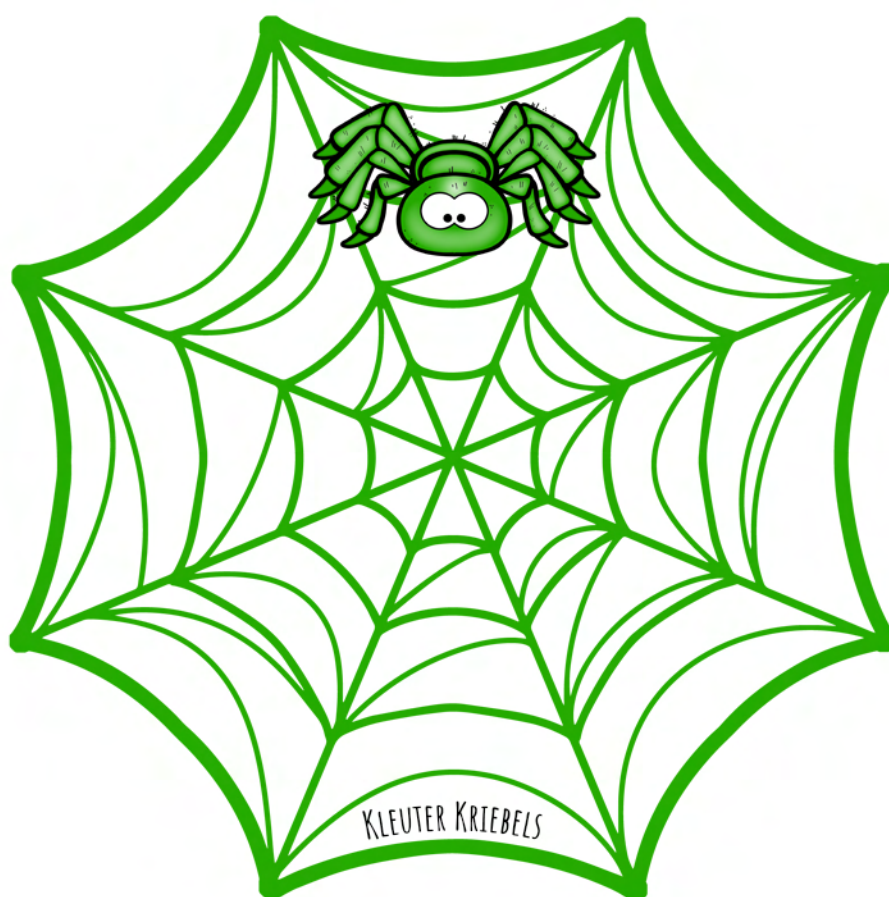

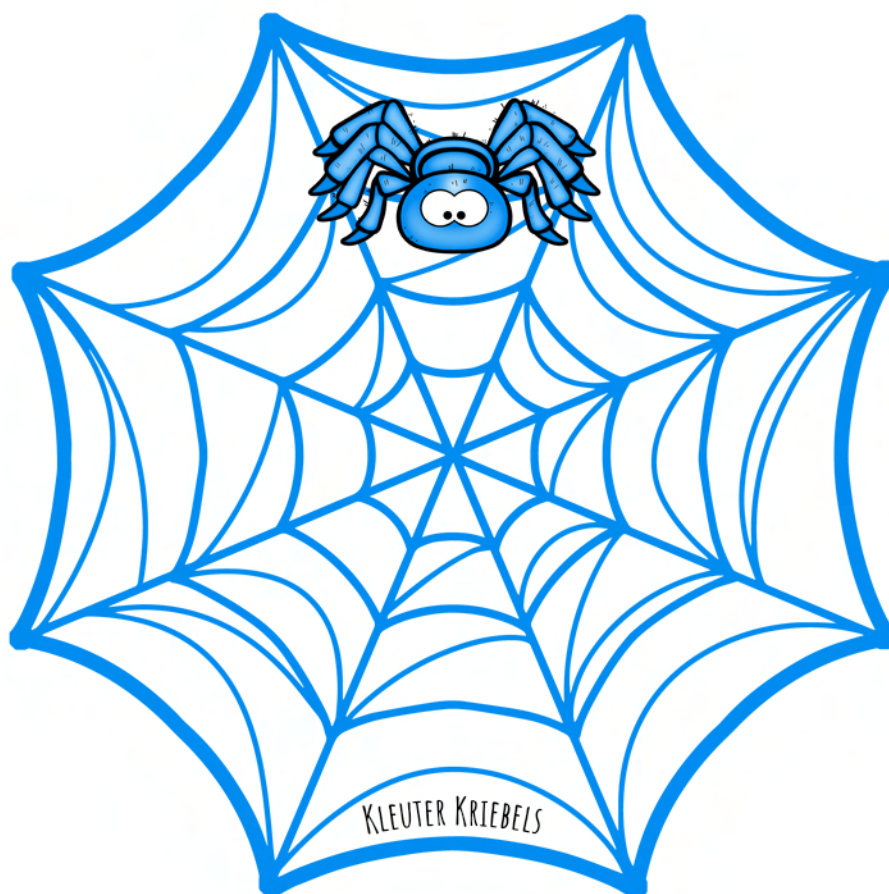

- Voorzie de opdrachtkaarten en spinnenwebben.
- De kleuters nemen een opdrachtkaart en kijken naar welke kleur(en) en welke hoeveelheid ze op het juiste web moeten leggen.

Spinnenlijfjes

Doel van het spel

- De jongste kleuters leren de kleuren kennen en sorteren volgens kleur.
- De jongste kleuters leren gericht kijken.

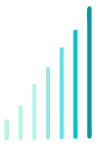

Vorbereidingen voor het spel

- Print en lamineer de grote A4-spinnenwebben.
- Print, knip en lamineer de spinnenlijfjes. Je kan deze eventueel in een sensorybak leggen zodat ze moeten zoeken.

Spelregels

- De kleuters nemen een gekleurd lijfje en leggen deze op het juiste web.
- Ze leren de kleuren sorteren.

Gradaties en differentiatie

- Je kan hier een spelvorm van maken door een kleurendobbelsteen te voorzien en elke kleuter een A4-blad te geven met verschillende gekleurde spinnen. Wie als eerste alle lijfjes heeft, is gewonnen.
