Kriebel regels

DIT MAG JE DOEN

- Je mag spelletjes gebruiken in de klas.
- Reclame maken voor onze spelletjes, website of social media mag altijd!
- Je mag foto's van je spelmomenten met onze bundels delen op social media!

Tag ons in jullie foto's!
@kleuterkriebels

DIT MAG JE NIET DOEN

- Je mag de bundel niet gratis delen met anderen.
- Je mag de bundels niet doorverkopen.
- Je mag geen aanpassingen doen aan de bundels en deze dan onder jouw eigen naam plaatsen of verkopen.

B-bot Sinterklaas

Doel van het spel

- ICT-vaardigheden: de b-bot leren hanteren.
- Inzicht krijgen in een ruimtelijk probleem en een ruimtelijke opdracht.

Vorbereidingen voor het spel

DEEL 1: De kaartjes

- Print, knip en lamineer de kaartjes voor op de mat.
- De Sint, Piet, zak van Sint en zak van Piet heb je ook met een blauwe achtergrond zodat ze meer opvallen onder de mat, maar dit kan je zelf kiezen.

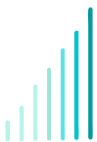

DEEL 2: de opdrachtkaarten

- Print, knip en lamineer de opdrachtkaarten.
- We voorzien verschillende moeilijkheidsgraden.

Spelregels

- Sint en Piet vullen de zak!
- De kleuters nemen een opdrachtkaart en kijken goed naar waar ze beginnen (voor de pijl) en waar ze heen moeten (na de pijl).
- Soms zijn er meerdere plekjes die ze moeten bezoeken.
- Soms staat er een verbodsbord: dan moeten ze naar het eindpunt raken zonder bv. Sinterklaas te storen.

Gradaties en differentiatie

- Er zijn drie moeilijkheidsgraden:
 - **Moeilijkheidsgraad 1:** opdrachtkaarten waarbij de b-bot overal mag rijden, er zijn geen kaartjes waar ze niet over mogen rijden.
 - **Moeilijkheidsgraad 2:** opdrachtkaarten waarbij ze naar 1 ding moeten gaan, maar daarbij niet over 1 bepaald kaart mogen rijden.
 - **Moeilijkheidsgraad 3:** opdrachtkaarten waarbij de kleuters naar 2 dingen moeten gaan, maar daarbij niet over bepaalde kaarten mogen rijden met de B-bot.
